

# This Year Can Be Different

## FAITH – week 11

### Values Survey

- 1) What do I value MOST?
  
- 2) What type of person do I want TO BE in life? *(Most people really don't know what they're supposed to be. If you were to ask them what is your goal in life? You'd find that most people know what they want to have or what they want to accomplish, but very few know who they're supposed to be in life.)*
  
- 3) What ADJECTIVES would I like to describe me?
  
- 4) What would I like written on my TOMBSTONE?
  
- 5) If I were to write a LETTER to my kids on what is most important in life, what would I tell them?
  
- 6) Does my life *(my; time, efforts, energies, actions, money...etc)* reflect that these are what is most important to me? Does my DIRECTION match my INTENTION?
  
- 7) Am I really doing what I CARE to be doing?
  
- 8) What in my life is TRIVIAL and what is ESSENTIAL, what should I hold onto and what should I let go of?
