Talking Points

1. When Jesus came 2000 years ago, two of the things he came to do were to establish God's kingdom and to make it possible for the will of God to rule in the hearts of men like it never had before. In the message, we pictured those who lived such lives as being part of country where people lived in ways that are radically different than what we find in our own society. What were some of the characteristics and qualities of the people who lived in this "other" country? Does it sound like a place you would want to live? Why or why not?
2. Two things that we are not to do with the Kingdom is (1) turn it into another religious system or (2) reduce it to mere recreational enjoyment. What does it mean to do these things? Why are they so easy for us to do? Have you ever done one of these with the Kingdom? What then are we to do with the Kingdom?
3. Read Matthew 13:45-46. What was Jesus trying to get us to understand about the worth of the Kingdom in these 2 verses? In what ways does your life demonstrate that the kingdom is worth everything to you?
