what's best for my child and family? Essentials of Discipline features the most up-to-date research on parenting and the kind of practical, approachable teaching that can only come from America's most trusted authority on parenting issues, Dr. James Dobson.

Secrets of The Vine

Grapes need pruning--and so do Christians, Wilkinson writes. God's "pruning" is painful, but Wilkinson argues that this pruning away of "self" is necessary to gain desirable results. He notes, "Pruning will intensify as God's shears cut closer to the core of who you are." Wilkinson urges Christians not to confuse "pruning" with "discipline," and offers a helpful chart to distinguish between the two. He discusses four levels of fruit bearing, from "no fruit" to "much fruit," and the connection between God's pruning and an abundant harvest.
